### NEW FEATURES FOR 2015

#### BankData transaction rules

Set up rules for your bank transactions and have it automatically sorted into the right category in your software and easily reconcile your financial data.

#### Customisable supplier remittance advices

You can now customise your supplier remittance advices. Choose to modify the template and add custom fields, change the sender details, insert your logo and personalise messages to suit the needs of your business.

**Over 600,000 customers have relied on Reckon Accounts to simplify everyday business tasks.**

1. Premier includes two licences (additional licences required for up to 5 multi-users). 2. Single and additional licences for up to 30 multi-users may be purchased. 3. GST Reporting on cash basis only. 4. Requires internet connection. Available directly from your bank or via Yodlee. Charges apply. Statements can also be imported manually at no cost, check with your financial institution to see if they support this feature. 5. Only available to current annual licence or Reckon Advantage members. 5. Premier and Enterprise include Accountant, Retail, Contractor, Non-Profit, Professional Services and Manufacturing & Wholesale Editions.

## TWO LICENCE TYPES AVAILABLE:

### Annual

- Pay an annual fee and always be on the latest version.
- Receive product upgrades and updates. Get upgrades, updates and service packs for your product for the duration of your licence.
- Unlimited free weekday technical support by phone and online chat.
- At the end of 12 months, simply renew your annual subscription to continue using the software and receiving the benefits.

---

### Perpetual (available as a Full Version or Upgrade licence)

- Purchase your software outright.
- New customers will need to purchase Full Version.
- Existing customers are eligible to purchase Upgrades.
- Membership to the Reckon Advantage program provided free for the first 12 months on Reckon Accounts Plus and Premier (2 users).
- Advantage members receive free product upgrades and updates plus unlimited free weekday technical support by phone and online chat.

After the first 12 months, you may renew your Advantage membership to continue to receive support, updates and upgrades.

If you choose not to renew you can continue to use your perpetual software indefinitely, but there are no further software upgrades or free support provided.

If you need the latest tax tables or service packs, you must renew your Reckon Advantage membership to continue receiving these benefits. Alternatively, you can switch to an annual licence.
